

## REMARKS

Reconsideration of the Examiner's rejection of claims 17-32 under 35 U.S.C. §112 on the grounds that the specification has inadequate support for the term "at least one" base station-router is respectfully requested.

As the Examiner will note, original claim 1, line 2, specifically recited the phrase "at least one base station-router" (emphasis supplied). Hence, the original disclosure provided support for having more than one base station-router allocated to the base station.

To overcome the rejection, applicants have amended page 4, second full paragraph to conform with the language of original claim 1. Withdrawal of the indefiniteness rejection is respectfully requested.

Wherefore, a favorable action is earnestly solicited.

Respectfully submitted,

KIRSCHSTEIN, OTTINGER, ISRAEL & SCHIFFMILLER, P.C.
